Legal Notices

Auto Important State Information

- We rely on your accurate statements when we provide you with a quote. However, we will verify your information through motor vehicle and claims reports if you decide to purchase a policy from GEICO Choice Insurance Company.
-

Important Messages

Auto Assumptions

- The policy is eligible for Upgraded Accident Forgiveness. The purchase option is subject to the driver history information you provided and the policy effective date of 11/23/2024.
 - Information regarding your prior insurance history was collected from a 3rd-party and used in this quote
 - Need to make changes to your auto assumptions? Please proceed in the application and select Edit Info to make updates.
-

Auto Important Messages

- Please reference this retention number if you contact us: 545163D1849823.
 - Coverage is subject to the terms, limits and conditions of the policy contract.
 - If you pay your premium in installments, each payment includes an installment fee.
 - Additional limits may be available. If you need a quote for a limit not shown, please call us.
 - Please note that this rate quote does not provide coverage for customizations to your auto. If your vehicle is customized, please call us.
 - Additional assumptions were used to generate your quote, which may impact the rate shown. You will have the opportunity to review or update assumptions prior to purchasing your policy.
 - GEICO reserves the right to not insure vehicles that were totaled, reconstructed, or significantly damaged due to natural disasters (e.g., flood, fire, hail).
 - The Lowest Limits package quote includes the lowest bodily injury limits that we offer in your state, but may not represent the lowest limits available for other coverages, nor the lowest possible deductibles.
 - A credit-based insurance score discount was applied to your total premium.
